Winter 2018

⚠ Recent changes to format/location/time
 ♿ Handicap accessible meeting
 ♿ Meeting is in need of support

Have a service position?

Being involved in service is a great way to give *and* receive at the same time. Service positions are a great way to be involved, extend your network, and build your recovery. There are always ways to get involved and help give away what was so freely given to us.

How, you ask?

Well, for example our area subcommittees are always looking for support! H&I, Web & Graphics, PR, or Literature, just to name a few. Find a service commitment in your home group, help Special Events with a function or just show up and learn!! Area service meets the 3rd Sunday of every month at 12:30. So come out, support our area and your recovery at the same time!

Get involved.
